IV. CSIP and LAND Trust Plans, Goals & Budget – Darrell Jensen.

- a. When will sub-committee Meet? Sub-committee is: Connie Atkisson, Heidi Grimshaw, Heather White, Hal Nicholson, Christa Reid, Daniela Dulger, Bruce Eschler, and Darrell Jensen.

Darrell Jensen explained to the members of the SCC that the TSSA and the CSIP and TRUST Land Plans will be combined as one school plan

CCHS's BLT will be meeting on March 17, 2020, to review CCHS data received from the district office and prepare a draft for CCHS's TSSA/CSIP plan. Mr. Jensen asked if the SCC's CSIP committee could meet on March 18, 2020? The sub-committee agreed to meet on Wednesday, March 18, 2020 at 9:00am.

The District funded more school FTE at the beginning of the school year. Mr. Jensen explained to the SCC members that because of this, CCHS has money in the LAND Trust account to send 7-12 educators to a Tech Conference which Katie Gephardt, our school tech, suggested would be beneficial for our teachers. CCHS has also hired a MTSS Mentor. The mentor will work with high risk student and help them attend their classes. This person will start February 10, 2020.

Mr. Jensen updated the SCC on future events:

- The vaping sensors will soon be installed. Also, the 9 cameras will be installed soon.
- The Safety Video, which Mr. Geertsen's class is working on, is having the final touches put on it. The Video will address safety in the school's parking lot.
- Battle of the Band was held last week and there was a great turn out for this event. Connie Atkinson was thanked for all her hard work.
- Also, The Top Secret Project was presented to our community by Draper Police Department. This project had a bedroom set up and demonstrated where kids of all ages could hide items they didn't want their parent to find in their bedrooms. It was very well done and the parents and community members who attend were very impressed by the presentation.
- Every Brilliant Thing will be held tonight in auditorium at 7:00pm. Parents and student are encouraged to attend. The stage performance is about suicide. If parents or student have any concerns or questions, counselors will be in attendance.
- CCHS LAND Trust budget is about \$294,000.00 and our TSSA's budget is about the same. CCHS has almost \$600,000.00, between the two accounts. The district will keep 25% of the TSSA funds and the school will receive 75% of TSSA funds.
- The district has asked the SCC to take a survey regarding Parent Teacher Conference. Mr. Jensen read an introduction before asking the members of the SCC to take the survey which was included in the SCC packet. The SCC completed the survey and returned the survey to Mr. Jensen. (Mr. Jensen sent the surveys to the district the following day.)
