- Our yearly 9th grade transition meeting with the Draper Park Middle School counseling team is scheduled for tomorrow (Friday). This is our opportunity to discuss incoming Freshmen currently at risk in the 8th grade and refer them to the CREW class (and other supports) for the upcoming school year.
- AP testing begins Monday. The schedule is available for those interested. Counselors trained AP Chinese students on the software program this past week.
- Advanced and Honors Diploma numbers are out. Of 521 seniors 220 qualified for the Honors Diploma. This means (at Least) 42% of our seniors reached the ACT benchmark scores. 196 seniors qualified for the Advanced Diploma.
- Jostens will deliver caps and gowns Wednesday, May 8th. Counselors will hold cap and gown deliveries for Seniors who are deficient, have No-Grades,

or are in danger of failing a required course. Other requirements such as the civics test and senior survey, will also need to be completed before Seniors are cleared to receive their cap and gown.

IV. Principal Items – Darrell Jensen

Mr. Jensen reported on happenings at CCHS.

- US News and World Report reported Corner Canyon High School is #6 in the state of Utah. 4 charter schools and Davis High make up the top 5.
- Shout out to Jodi Ide, Chelsea Darrah, Katie Gebhardt, and Bruce Eschler for the many hours they spent getting the school ready for ASPIRE testing.
- HOSA had their first Pre-Med dinner for students planning on going into medicine. Dinner was served and a guest speaker spoke to the students about the different fields in medicine. Many of the student have done an internships internship with doctors here in the valley. Wayne Dittmore, Janelle Hanks, and Taylor Anderson work with the students.
- TSSA funding for 2019 – 2020 school year will be as follows, 25% of the money is going to the district, 75% is coming to CCHS, approximately \$240,000.00. For the 2019-2020 school year the TSSA funds will follow the LAND Trust plan. The TSSA plan needs to be voted on by May 15, 2019. CCHS will be using these funds to hire teachers to reduce class sizes and to hire support staff so students may have more one on one time with teachers. After the discussion the SCC supported the TSSA plan.
- As of today, CCHS has 64 permits. Most of the permits are students here on the sibling rule, and a few others are out of boundary. CCHS should have about 2370 students next year. CCHS will have approximately 620 in our Senior and Junior classes, and approximately 550 – 560 in our Freshman and sophomore classes.
- Construction – The outside walls are up, cap on the roof up soon, and the cafeteria walls are up. CCHS will have the portables until October/November.
- Marsha Morgan, Helen Wight, Royce Shelley, Joyce Spencer and Patty Smith are retiring this year. There will be an open house on May 15, 2019.
- Whitney Pougé – Coach of the year for Mountain Biking.
- Sarah Gillette (moving home), Jennifer Lueck-Wheeler (District position), and Ken Smikahl (father passed, going home to help mother), are leaving CCHS this year.
- AT&T will be working on their cell tower this summer.
