NEW STUDENT LUNCH

The counseling center along with our peer leadership team classes welcomed new students to CCHS by hosting a pizza luncheon. Counselors served pizza to the students as their peers introduced themselves and made sure each new student knew how to become involved in all the activities, clubs and sports that CCHS has to offer. Many of our new students are coming from different states and countries.

THE AMAZING CCHS PTA

CCHS has an amazing PTSA that continually supports the school. This last week they provided dinner for all the teachers during parent teacher conferences. They do some extraordinary things to support our staff, school, and community. Please consider joining them or helping to support them through volunteering. See more information on page 3.

WEEK OF OCTOBER 2ND, 2023
TEACHER FEATURE

In U.S. History’s Progressivism unit this week, Ms. Rogers facilitated an activity teaching students how to create and gain support for an initiative. In their groups, students created a law that they were passionate about. They then went around the school to collect enough signatures for the initiative to be put on the ballot for voter input. Which initiative was the most popular? Well, you will just have to ask your U.S. History student on Thursday and Friday of this week when students vote on their favorites!

MEET THE TEACH

Meet CCHS’s new Health Teacher and Track Coach, Alyssa Dalton! Coach Dalton, originally from Fresno, California, first moved to Utah to run track at BYU. While competing as a heptathlete, Coach Dalton met her soon-to-be-husband who happened to be a decathlete at BYU. They have two children together--no doubt those kiddos will be as athletic as their parents! Something her students may not know about Coach Dalton is that she is an identical twin. Her twin will be coaching pole vaulting during track season. When asked what she loves most about CCHS thus far, Coach Dalton enthusiastically replied, “The school pride at CCHS is unlike any school I have seen.” We are so grateful to have Coach Dalton and are eager to support her and the entire track team come track season!

OCTOBER READING CHALLENGE

The reading challenge for the month of October focuses on the historical fiction genre. Students who read a book that takes place prior to 2010 are eligible to participate in the highly-sought-after, teacher-only popcorn bar on Fridays. Check out the display in the library for some suggestions and fill out a review form when finished for a ticket to redeem on a Friday.
CCHS is looking for some volunteers who could help our Seniors apply for colleges on Tuesday, October 10th and Wednesday, October 11th during Utah College Application Week. If you would be available to help, please sign up using this link. Thank you!

Due to changes in the registration process this year, the PTSA is seeing serious shortfalls in membership, donations, and volunteering that may impact or eliminate beloved activities such as Battle of the Bands, year-end celebrations--such as all student movie night and Senior Lock-in, as well as funding for teacher grants and student scholarships.

Those of you who have helped out, we so appreciate you!

The no-fuss fundraiser is only funded at 4% of our $20,000 goal. Can you pitch in? Maybe you have an employer that will match your donation? (Link)

Our membership is currently at 32% of last year (490 members), and 17% of the year prior (909 members). Please join us and consider throwing in a donation for teacher or staff membership as well! (Link)

Finally, our board is seeking volunteers for the Health Commission, Legislative activities, and even more desperately seeking help for Battle of the Bands, and year end events. These last two areas require many hands and currently we have no one to oversee either! (Link to Volunteer)
