## 23-24 MOUNTAIN BIKING TEAM

Corner Canyon High School is the home of the incredible CCHS Chargers Mountain Biking Team. The team has been a pioneer in our sport successfully bringing students together to love and succeed in the sport of cross-country mountain bike racing. Our team and the Utah league have seen exponential annual growth since the league started in 2012 and the school opened in 2013. We are excited about the growth in participation on our team and in the Utah league and we believe that our team is a positive sporting environment for high school boys and girls of any ability.

We broke team size barriers for many years and have limited our team size to 200 riders in recent years due to limitations of managing a large team.

We are 5 time Utah State Champions - 2015, 2016, 2018 2019 and 2021!
