## UNIFIED SOCCER SCORES!

Unified soccer took second at our tournament Tuesday, Sept 12th! It is our first year as a soccer team and every single ECC student scored at least one goal in our first game! The incredible CCHS peer tutors were the best partner athletes other teams have ever seen! We love and are so proud of the sportsmanship we've seen from our ECC friends and are blown away by the level of inclusion our general student body exhibits. Great job Unified Soccer! The Deseret News covered the event and shared the amazing day with [this story](#).

## THE STABLE RANKED #1!

The Student Section Report rankings came out for last year. A total of 41 high school student sections were ranked. CCHS came in at number one! We are proud of our student section, **The Stable**, and feel this is a well-deserved honor. Great job Chargers!! Let's keep it up!

## FROM THE COUNSELING CENTER

**ATTENTION!**  
**PSAT**  
**Coming Soon!**

**Corner Canyon  
High School**  
**October 25th, 2023**  
**7:30 A.M**  
**\$20.00**

Dear Parents of 10<sup>th</sup> & 11<sup>th</sup> Grade Students,

We are pleased to announce that Corner Canyon High School will be offering tenth & eleventh grade students the opportunity to take the **DIGITAL PSAT/NMSQT** this year!

The test will be administered at Corner Canyon High School at **7:30 A.M.** on Wednesday, October 25<sup>th</sup>, 2023. Students will be excused from their 5<sup>th</sup> and 6<sup>th</sup> periods on that day. The cost for taking the **PSAT/NMSQT** is \$20.00. Please register and pay for this using the following Total Registration link prior to September 15<sup>th</sup>, 2023. [www.TotalRegistration.net/PSAT/450073](http://www.TotalRegistration.net/PSAT/450073). A late fee of \$5 will be assessed for students registering after September 15<sup>th</sup>, 2023. No registrations will be accepted after September 22<sup>nd</sup>, 2023.

This is a national test, consequently this will be the only time that Corner Canyon will be administering this test. There is no make-up date.

One may ask, why should students take the **PSAT/NMSQT**? It is the best preparation for the **SAT** Test. Students in tenth grade who take the test can benefit from the practice and be prepared to take it again the next year. Students in eleventh grade who take the test and meet other program entry requirements may qualify for and be considered for the **National Merit Scholarship** programs. Most important, this is a comprehensive tool that gives valuable feedback to both the student and the school and can help all students prepare for the Spring ACT their junior year.

**Hurry and register. Spots are filling up. This is a great way to help you prepare for the SAT and ACT tests and help you get into college and to earn scholarships!**
