TEACHER FEATURE

ELA 10 teachers, Tecia Memmott, Mark Oram, Robbin Stephens, Lauren Lewis, and Jeff King, know how to make the play, *Twelve Angry Men*, come alive by assigning students speaking parts and providing interactive props. In the play, the twelve jurors are to determine the fate of a 16-year-old boy accused of murdering his father. ELA teachers are passionate about this play because it emphasizes the importance of setting aside personal opinions and inclinations to make fair decisions. Jurors are challenged to research and re-examine their preconceptions about the defendant and the facts. This analysis will help them identify persuasive appeals and errors in reasoning.

CCHS Girls Soccer finished their season on October 10th in the State Playoffs. They played their hearts out all season and did very well. They finished ranked 8th in state and made huge gains this year as a team. They will be a force to be reckoned with next year! A special thanks to the coaches and parents who supported the girls all season long. Great job, great season, girls!

CCHS football out-powered Bingham high with a 38-3 victory over the Miners. The Chargers quickly built a 21-0 lead in the first quarter and held the Miners to just a field goal for the whole game. Isaac Wilson ended the night with two touchdown passes and a rushing touchdown, and Bryton Brady notched two rushing touchdowns of his own. The Chargers improved to 9-1 on the season and are looking very strong for the upcoming state tournament.

The CCHS Cross Country team has been competing hard this whole season. They finished strong at the region and divisional meets the past few weeks and will be competing at the State Tournament on October 24th. We wish them the best of luck and congratulate them on their hard work for this whole season.

Volleyball has been strong all season and is continuing their dominance as the season winds down. They currently have a record of 23-5 and are led by Elina Mortensen with a 4.9 K/S ratio and a 0.396 hitting percentage. Please join them October 17th at home as they take on Bingham. This game will be a "pink out" to support breast cancer awareness month.

The CCHS mountain biking team is on the cusp of another title. They have been competing this whole season and have done amazing things. They will finish their season up this coming week down in Cedar City at the State Tournament on October 21st and 22nd. We are excited to see how they do and wish them the best of luck. Great job Chargers!!!
