## CCHS MAKES AP HONOR ROLL!

Corner Canyon High School, has earned a place on the AP® School Honor Roll for the 2022-23 school year! The AP community, congratulates all the hard work each of our students and teachers have done to earn this prestigious honor. Well done CCHS teachers and students to realize this!

## CAREER AND TECHNICAL STUDENT ORGANIZATIONS

The CCHS CTSOs leadership "camped out" on September 27th to learn from their great teachers and advisors on how to magnify their outreach and to promote their clubs and programs to reach more students. Their goal was to increase engagement of students in the career and technical programs offered at CCHS.

Career and Technical Student Organizations (CTSOs) are key components to strong CTE (Career and Technical) programs. They integrate into CTE programs and courses and extend teaching and learning through innovative programs, business and community partnerships, and leadership experiences at the school, state, and national levels.

CTSO's are not after school clubs where only a few CTE students belong, but a powerful instructional tool integrated into the CTE classroom. CTSO's help students develop leadership skills and positive work values, while reinforcing the Career and Technical Education curriculum.

All students in every high school throughout the state have CTSO opportunities. At Corner Canyon High School, the active CTSO's are:

DECA - An association of Business and Marketing students

FCCLA - An association of Family, Career, and Community Leaders of America

HOSA - Future Health Professionals

## TEACHER FEATURE

In AP Statistics last week, Mrs. Toney let students return to simpler times by bringing out Barbie and Ken dolls! But wait... how does this relate to AP Stats? Well, Mrs. Toney explained that students would conduct an experiment, collect data, and then use the data to predict the maximum number of rubber bands that should be used to give Barbie and Ken a safe jump from the school's balcony. Wow, what an awesome, interactive activity! Click the picture to watch the video!

## MEET THE TEACH

Heather Gooch, CCHS's new Biology and AP biology teacher, is originally from Southern California and moved to Utah at 18 to go to BYU. She married her husband, Jeff, while she was getting help in an English lab. He just so happened to be the most helpful TA! They got married the day after she graduated with her undergrad. Together, the couple have two children- Brooke and Barton. Heather has been teaching for 28 years at four different schools, including 20 years at BYU. She has also been involved in a multitude of activities outside of the classroom- coaching cheer and mountain biking, serving as a testing coordinator, and a new teacher mentor. Mrs. Gooch was even awarded Teacher of Year in 2016. An interesting fact about Mrs. Gooch that her students may not know is that she is also a rancher who enjoys operating heavy machinery in the summers! That's right- she and her husband enjoy their summers on their ranch in Wyoming raising Angus Beef Cattle.

## OCTOBER READING CHALLENGE

The reading challenge for the month of October focuses on the historical fiction genre. Students who read a book that takes place prior to 2010 are eligible to participate in the highly-sought-after, teacher-only popcorn bar on Fridays. Check out the display in the library for some suggestions and fill out a review form when finished for a ticket to redeem on a Friday.

## SENIOR NIGHT FOR FALL SPORTS!

The CCHS girls tennis team finished an amazing season and earned top spots at region. They played their hearts out at State this past week and walked away with a 5th place finish. They were amazing all season long and their coaches and team managers were integral to the success of this year. The tennis team represented CCHS extremely well both on and off the courts. We are proud of you and how you represented the school!

The CCHS girls' volleyball team is quickly wrapping up their season. Senior night was this last week, and we are so proud of our seniors and how hard they continue to fight and represent CCHS. If you have not had a chance to see them in action, come watch them on Thursday, October 12th. They will be taking on Copper Hills High School at home in the big gym. The varsity game starts at 6:30pm! Do not miss out!

The CCHS girls soccer team finished their season strong and celebrated Senior Night last week. They earned a bye the first round of state and will start competing on October 10th at 4:00pm at Skyridge High School. Wish them luck as they compete for the state title!
