STERLING SCHOLARS

Corner Canyon's Sterling Scholars were selected amongst an extremely qualified field of contestants. These Sterling Scholars will go on to represent CCHS at the upcoming district and state competitions. Please congratulate these students and wish them luck as they continue on this path to represent CCHS and themselves.

Science: Hunter Hickok, Skilled and Technical Science: Gage Day, Math: McKay Neyman, Computer Technology: Elline Harrison, Business and Marketing: Aditi Vandanapu, Instrumental Music: Alyssa Meadows, Speech/Theatre/Debate: Abby Holland, World Languages: Brynn Frohmann, Social Science: Rosemary (Erin) Akins, English: Ashlee Jensen, Family and Consumer Sciences: Natalie Lawson, Vocal Performance: Alyssa Miller, Visual Arts: North Rust, Dance: Hadley Hagen

DEBATE TEAM DOMINATION

This year, all three of the debate scholarships awarded in the U of U's Beehive Bonanza were won by Corner Canyon students. This is a huge accomplishment! Catherine Faucette, Ethan Faucette, and Abigail Holland all took home a \$1000 scholarship. Additionally, Catherine Faucette just reached Premier Distinction, the highest degree in the National Speech & Debate Association Honor Society! Please join us in congratulating Catherine Faucette on this outstanding achievement. This milestone is a celebration of the hundreds of hours Catherine has spent preparing, practicing, and competing to hone her communication and leadership skills.

PARKING LOT SAFETY

Please be mindful of safe driving practices and parking lot safety:

1. Slow down! The maximum speed in the parking lot is 5 mph.
2. Watch for pedestrians and always give them right of way.
3. Be cautious, careful, and attentive when driving
4. Be engaged with driving, and do not get distracted

REPORT CARDS NOW ON SKYWARD

First quarter's report cards are finalized and are viewable on Skyward. Parents and students can access these by logging into their Skyward accounts. Great first term Chargers.

AP DEADLINE IS QUICKLY APPROACHING

2023-2024 AP Test Payment Schedule

Registration Window is August 21 – November 10
Fee per Exam during this window - - \$102

AP Late Fee Window November 11 – March 13
Fee during the Late Window - - \$142

Step 1:

Class Registration: myap.collegeboard.org. Log into your AP account, or create a new account for first time AP students, and enter the Join codes for each AP class. Your teachers have the Join codes for their respective classes. **DO NOT USE YOUR CSD EMAIL**

Step 2:

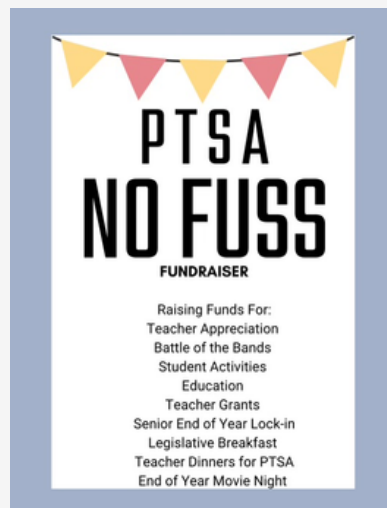

Pay for the AP Exam: www.totalregistration.net/AP/450073
Log into your existing account, or create a new account. Follow the prompts and select the exam and teacher for each exam you will be taking.
Please don't forget you need to complete both steps by the deadlines listed above, or we will not have an exam for you to take in May.

If you qualify for free or reduced lunch or a fee waiver, you may qualify for a lower test fee. Please check the appropriate box on Total Registration. If you have a fee waiver, see your Assistant Principal for verification.

For any other AP questions, please contact Ms. Chernosky in the Student Center.

SCHOLARSHIP LINKS

[Upcoming College Visits and General Scholarship Information](#)

CCHS PTSA is seeking donations to our No Fuss Fundraiser for the 2023/24 School Year. All donations will go directly to students. Check if your employer will match your donation (we are a 501c3 organization). We are just at 20% funded for the year. Thank you to all who have donated so far. Donate [Here](#).

THE CHARGER CONNECTION

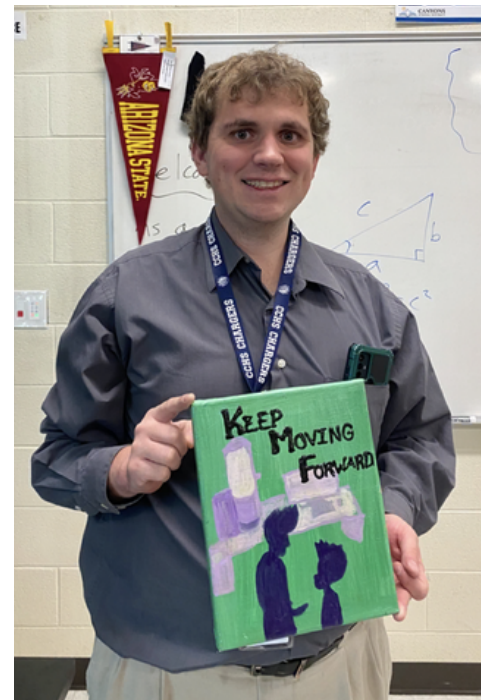

TEACHER FEATURE

The Physics Department conducted an engineering project with their students this week using paper drag racers. Teachers provided the basic design, and students made modifications to make their model as fast as possible. Students prototyped and tested their designs the first day. On the following day, they raced to see which design was the most efficient. The students in the video were from Mr. Mackprang's class. What will the Physics Department come up with next? Click the picture to see the video.

MEET THE TEACH

CCHS is thrilled to welcome its newest addition to the faculty, Dr. Brian Tracy. A Highland native, Dr. Tracy brings a wealth of academic expertise and a passion for teaching to our school community. After completing his undergraduate and Master's degrees in physics at Utah State University, he went on to earn his Ph.D. in Physics at Arizona State University. Interestingly, Dr. Tracy's journey to academia is as melodious as it is scientific; he met his wife, Natasha, in a guitar class during his time at Utah State University, and they now have four wonderful children.

With five years of teaching experience under his belt, Dr. Tracy's enthusiasm for education is infectious. Not widely known is his remarkable talent for solving Rubik's cubes in under 58 seconds. His favorite aspect of teaching at CCHS is the dedication and enthusiasm of our students, who are always eager to learn and explore the world of physics with him. We are excited to have Dr. Brian Tracy as part of our teaching team at CCHS, and we look forward to the knowledge, inspiration, and innovative teaching methods he will undoubtedly bring to our students.

DIA DE LOS MUERTOS

Elena Banks, Holly Denton, Michael Estrada, and the Latinos in Action class worked very hard to fabricate the beautiful Mexican tradition of Ofrenda at CCHS. Día de los Muertos commemorates our loved ones who have passed on and we make ofrendas to honor them.

WEEK OF NOVEMBER 6TH, 2023

THE CHARGER CONNECTION

ATTENTION 10th, 11th & 12th graders!

What's your dream job? Get to know your strengths, yourself, and your options by taking the ASVAB (Armed Services Vocational Aptitude Battery) test here at CCHS on Tuesday, December 12th, at 8:00 am.

- The test will be administered digitally on your Chromebook.
- The test should take about 90 minutes to complete.
- You will be excused from your 5th period that day.
- Please sign-up in the Student Center by November 15th!

Questions? Reach out to Ms. Chernosky in the Student Center, (801) 826-6515

The Academy for Math, Engineering & Science
and Cottonwood High School
present the
2023 Pre-Season Robotics Competition:

Jailbreak Jamboree

All Utah FRC teams are invited to participate

December 2, 2023
Cottonwood High School, 5715 S. 1300 E. SLC, UT

Doors open at 8:30 am for setup and practice.
The first match starts at 10:00 am
This event is anticipated to end around 1:00 pm, but it might run past that.

A special event planned only for high school juniors and seniors to connect with students from across the valley through SLCC Multicultural Conference! This will be on Friday, November 10th.

You can choose from attending multiple diversity workshops, meeting new people, and exploring what college is like. There will also be prize drawings for those in attendance! Breakfast and lunch will be provided! A bus will be provided for Corner Canyon students wanting to attend! Turn in your permission slips.
