FOOTBALL TAKES STATE

Corner Canyon's football team finished their season as the 6A Utah State Champions. This was a result of the countless hours of practice and perseverance they exhibited all season. Taking down Skyridge in a revenge-grudge match from last year added to the overwhelming sense of success. Great job, boys! Congratulations on your season. Thank you to all the coaches, support staff, parents, and students who have supported the football athletes this season to help make their goals a reality. This was the fourth State Title Championship in coach Kjar's last six years—an amazing feat. Good luck seniors in all your future pursuits; we are so proud of you for finishing strong.

THE TERM END IS CLOSE!

Midterm has already passed and the end of second quarter is coming soon (January 11th). Students, please be aware of this deadline and make sure you are keeping up with your classes and grades so the term end does not find you unprepared. Term finals will begin after winter break.

For those who need extra help, remember that Charger Time is every school day morning. Utilize this time to get extra help and support from your teachers. Do not pass on this opportunity to get extra personalized help and instruction from your teachers.

SCHOLARSHIP LINKS

Top 5 Scholarship Websites to Help You Find Scholarship \$\$\$

Forbes Magazine reviewed popular scholarship websites and compared them based on factors like the ability to filter and sort listings, save information to your profile, the sites' ease of use and added tools such as auto-match functionality.

1. Scholarships.com

Scholarships.com divides scholarships by a variety of unique categories, including GPA, military affiliation, ethnicity, artistic ability, ACT or SAT score and residing state. And when you select one of these categories, you'll likely see a large list of subcategories, where you can then view all eligible scholarships. This system helps students find niche awards with smaller applicant pools that they're more likely to win.

ScholarshipOwl

2. Fastweb

After the initial sign-up process, you can easily search for scholarships and filter your results based on several data points. Fastweb will also notify you when a new scholarship matching your description is posted and when you have upcoming deadlines.

FastWeb

3. College Board

College Board will also automatically match you with eligible scholarships based on the information in your profile. There is also an autofill function, which allows you to reuse information from other scholarship applications, saving you time and helping you apply for more awards.

CollegeBoard

4. Going Merry

Applying to scholarships can feel repetitive; that's why [Going Merry](#) lets students type in information once and apply for multiple scholarships at the same time. The site also prides itself on including local awards, which are less competitive and may be easier to win than big national scholarships.

GoingMerry

5. ScholarshipOwl

ScholarshipOwl is a popular scholarship website that compiles awards and organizes them by amount, types of requirements, number of winners and length of time until the application is due. ScholarshipOwl will automatically resubmit your application to recurring scholarships that don't require anything beyond your basic information.

TEACHER FEATURE

Santa came early to CCHS with a delivery of a classroom set of whiteboards. The idea to utilize vertical whiteboards has been a movement across the district and really across education in general. This practice stems from a book entitled Building Thinking Classrooms and champions the notion that students are most engaged while standing, collaborating, and interacting with other students on assignments that require critical thinking skills. The picture to the left links to a video from Mrs. Bowen's Secondary Math 1 class. Great job Mrs. Bowen. Thank you for being willing to step out and try something new to fully engage our students!

MEET THE TEACH

CCHS is pleased to introduce to you Mrs. Skylar Fankhauser. A proud Jordan High Beetdigger, Skylar began her academic journey at BYU before transferring to the University of Utah to support her husband's football career. Graduating in 1998, the couple embarked on a European backpacking adventure before settling into family life with six children. Skylar's two eldest sons and daughters pursued higher education and extracurricular passions at UVU and Weber State, all having graduated from CCHS. Beyond her roles as a mother and teacher, Skylar and her husband share a love for attending their children's events. Passionate about animals, Skylar has fostered numerous puppies and kittens, and her three adopted dogs are a testament to her love for furry companions. An avid traveler with experiences in over 20 countries, Skylar also enjoys playing the piano and spending time outdoors. Skylar's journey at CCHS began as a substitute teacher for her children's classrooms, eventually leading to a permanent position teaching Online Learning Lab, Literacy, and CREW. She expresses gratitude for the school's vibrant community and is thrilled to contribute to an environment of excellence, relishing the challenges and joys of working with individual students and being entertained by their creativity and wit.

DEBATE TEAM SHINES AGAIN

The Debate Team continued their dominance by taking 1st place Sweepstakes at the The Viking Clash tournament at Viewmont High this past week. Two Chargers placed top of the tournament. Lillian McCallister took first place in the Speech Decathlon. She had to compete for 4 rounds outside of her primary event against the best speakers from Northern Utah schools. She won the Viking Helmet, the top award and a prestigious achievement amongst northern Utah debate programs. Cat Faucette, in mirror fashion, also took 1st place in the Debate Triathlon. Congratulations to all the participants who have worked hard and represented CCHS so well!

CUPBOP POWER LUNCH

Cupbop was featured during the DECA Powerlunch. Their C.E.O., Jung Song, presented to CCHS students about his journey and growing a humble food truck operation into a company with a valuation in the multimillions. Students were fed both figuratively and literally by Jung Song as he shared a message of hard work and dedication for finding success in life, not just business. In addition to feeding all the DECA students, Cupbop also provided free lunch for 400 additional students to show their support and commitment to being a community sponsor. This was a memorable experience for our students and will hopefully lead to some entrepreneurship dreams being fulfilled in the years to come.

CHARITY MONTH

As our annual Corner Canyon Charity Month continues, we have lots of fun activities that include: Spikeball, Game Pigeon, Pickleball, Cornhole, Dodgeball, Volleyball, Badminton, Ping Pong, Mario Kart, Super Smash Bros and a Basketball 3 v 3! On top of these tournaments, we have Dancing with the Chargers, Trivia Night, a Buy-Out Assembly, Paint Night, and a Charity Dance for students to participate in. There are also additional opportunities for the school and community to support our charity campaign such as: Odd Jobs, Class Collections, the Silent Auction, and Spirit Nights. We are looking forward to these fun activities and are grateful for any donations to our chosen charity this year: The Nixon Strong Foundation.

<https://nixonstrongfoundation.org>

If you would like to sign up for Odd Jobs, please use the QR code to do so! All students and clubs are welcome to join Student Government members in going around the neighborhoods in Draper to do service in exchange for donations to the Nixon Strong Foundation. We would love to have any support you can give! If you are not available during the listed times but would still like to participate, do not hesitate to reach out to a Student Body Officer.

The Nixon Strong foundation hopes to make a difference in families and children going through their own fight and battle with cancer by providing financial assistance, as well as making kids dreams come true. This is our cause and this is their WHY for the NixonStrong Foundation. The foundation pledges to fight for these kids and their families as long as there is "C" in the world . Please join the fight in helping these families find light and a smile in their journey.
