INSIDE THIS ISSUE

• Scholarship Updates
  Current information and scholarship opportunities and deadlines. Page 2.

• Photo Pickup
  Details on where to find your missing pictures. Page 2.

• Charge Cards = Books
  Learn how charge cards can buy books in the library. Page 2.

• Teacher Feature
  See a unique classroom activity in Mr. Wild’s 3d Printing as well as a Broadway Backwards recap. Page 5.

• Winter Sports Info
  Winter sports are in full swing. See pictures of the teams in action. Page 4.

• December Concerts
  Recap and pictures of the Performing Arts December performances. Page 3.

HAPPY HOLIDAYS

Mrs. Jensen’s class competed with each other to create and sew ugly Christmas sweaters. Students designed their own miniature sweaters and then voted upon the best designs. The pictures above represent some of the class favorites. This was a fun activity to help spread some holiday cheer. On that note, we want to wish all our students and community a safe holiday season full of warmth, safety, and kindness. Thank you all for being part of this amazing community and taking care of one another. This community really embraces our “Chargers Care” mantra.

NEW USA RECORD!!!

Jordan Barlow, one of our unified athletes and swim team members, secured the USA record in the 50 freestyle with a time of 32.40 seconds. He currently is just under a second behind the world record and has that in his sights. Please congratulate him on this achievement, and let’s keep our fingers crossed and he continues to close in on the next record! We are so proud of his drive to improve.

ISAAC WILSON, TATE KJAR RECEIVE HONORS FROM DESERET NEWS

Fresh off the State Championship win, the Deseret News named Isaac Wilson and Tate Kjar as the top football players in the state of Utah. Wilson finished the season with an eye-popping 5,901 yards and 62 total touchdowns for the year. This ranks eighth all time in high school football. Tate finished the season with 112 receptions for 1,816 yards. He is only one of nine players to have over 100 catches in a season, and he did this twice! Great job boys, and best of luck as you move on to the next level. Follow this link to read the article.

PICK UP YOUR PHOTOS
Many students still have photos waiting in the attendance office to be picked up. Please stop by and pick up your photos as soon as you can.

Charge Cards = books! Want to own your favorite book you read in the library? Want to preorder the next book in a series? Want to gift your favorite book to a friend? Redeem 20 Charge Cards for a paperback, or 30 Charge Cards for a hardcover of a book of your choosing. Stop by the library to turn in your Charge Cards and request your book!

SCHOLARSHIP LINKS

Upcoming College Visits and General Scholarship Information (click link for updated information)

Check out the Corner Canyon Student Center webpage. It has updated information about all the services, scholarships, testing, and job opportunities available to help our students thrive beyond high school. Click on the box above to be directed to the website.

DECA REGIONALS

CCHS DECA competed at Regionals this past week at BYU. The team earned many honors and awards. Many of our students qualified for Nationals and will continue to compete and represent our school in the coming months. Way to go DECA Chargers!
TEACHER FEATURE
Are you tired of always having to hold your phone to watch videos or participate in a Zoom call? Pop sockets not your thing? Well, Mr. Wild’s 3D Printing Class has you covered! Students designed and created phone and tablet stands this past week. What will they come up with next?!

MEET THE TEACH
Corner Canyon teachers really know how to go above and beyond in countless ways, but our Performing Arts Department truly took things to a whole new level this past week with their “Broadway Backwards” event. This event raised money for the school’s annual fundraiser and gave students the opportunity to perform in something that they would not normally get cast as. Mrs. Atkinson stated, “It’s a opportunity for students to play atypical roles and to have a lot of fun in the process.” That’s not all—to truly help with the fundraising efforts, teachers Phaidra Atkinson, Case Hamilton, and Melissa Thorne performed as well. We are so thankful for our amazing Performing Arts Department. This theatre charity fundraiser raised money for the Nixon Strong Foundation. Each student had to pay to perform, and items were also auctioned off along the way. As a group they raised $2,000. This was a feat and the excitement was felt amongst all in attendance. This was the most money that this event has ever raised for charity.

DECEMBER CONCERTS
The Corner Canyon Performing Art Department had their annual December concerts. Each of the concerts had all the students showcase their spectacular talent. The song choices and presentations demonstrated the commitment each student and their teachers put into these performances. This was a great way to help spread holiday cheer, and alumni joined in the last choir number as a testament. Well done, students!
WINTER SPORTS HEAT UP

Winter sports competition is off to a running start. Swimming is doing extremely well at their meets and many kids have posted some personal best times. The wrestling teams have been dominant and have done well competing against some of the best teams in the state. Meleana Fager was named the Star Athlete of the Week for girls wrestling. Drill and Cheer have started their competition seasons and are impressive to watch. Lastly, the basketball teams have finished most of their preseason games and are moving into region competition at the return of the break. To see a full schedule of all events, please refer to the school calendar.
Battling Burnout & Senioritis

Being a high school senior is tough. Yes, of course, this often ends up being your favorite year of high school and one you will cherish forever; but this year is also academically, emotionally and physically exhausting. As the school year drags on, you’re going to find it harder to focus and like so many students, you may find yourself victim to the infamous “senioritis.” Be careful. Otherwise, seniors can lead to lower grades, which in turn can lead to a college revoking your acceptance and it might even put you at risk for not graduating.

Now, before you panic, remember that even the best students succumb to the disease and it’s truly not as difficult to get over as you may think. Stay focused on your end goal, stay organized and when you doubt, come see your counselor for extra support and help. We are here for you!

7 Tips for Overcoming Senioritis

1. Get goals to get you motivated - Make specific and realistic goals with a timeline.
2. Reward yourself - Plan an incentive when you reach a goal.
3. Get yourself organized and on schedule - Use a planner or time management app.
4. Surround yourself with support - Surround yourself with people who are positive and support your goals.
5. Change things up - Change up your environment and reduce distractions.
6. Take a break - When you feel overwhelmed, take a step back, breathe, and re-evaluate.
7. Remember what you’re working towards - Recognize your hard work! Imagine yourself in your cap and gown, walking across the stage, getting your diploma and celebrating with family and friends. It will be worth it!

Still need your Lifetime Fitness credits?

We will be holding one final drop-in session for seniors on Friday, January 5th at 1:00! You need to register no later than January 5th.

If you still do not have your Lifetime Fitness credit, it will automatically be put in your schedule for 2nd semester.

If you don’t want it put in your schedule, please talk to your counselor to discuss options.

Have a handheld/mobile device you don’t need?

DONATE IT!

- Proceeds of the collection go to the GRACE Foundation, which supports conservation of gorillas in the Congo
- Mining of elements used in electronics is solely in Africa, harming key species like gorillas and more!
- Devices are either recycled and keep harmful lithium batteries out of landfills
- Broken OR functional products eligible!

Bring to Mrs. Fravel’s room, room S-113!

The gorillas THANK you!
