ACT INFORMATION

On March 20th, 2024, Corner Canyon High School, along with high schools throughout the state of Utah, will be participating in an administration of the ACT to all juniors. Follow this link for specific information about ACT testing and all March 20th student schedules.

---

STUDENT GOVERNMENT MEETING

Students, if you are a current freshmen, sophomore or junior interested in running for Student Government for the 2024-2025 school year, there is a mandatory election meeting on Wednesday, Feb 7th, at 2:30 in the Atrium at CCHS. If you are a current 8th grade student interested in running for Freshmen Class Officer during the 2024-2025 school year, your mandatory election meeting will be on Wednesday, Feb. 7th, at 3:00pm in the Atrium at CCHS—right after the 2:30 meeting.

---

COURSE REQUESTS FOR 24-25 SCHOOL YEAR

Course Requests are due on Wednesday, February 14th. It is vital that students request all the classes they need and want for next year. You can find course request cards, course request tutorials, and many more registration resources through our Registration Page on our Student Center website.

---

EXCITING NEW COURSE

CCHS will be offering an exciting new concurrent science course next year: Environmental Science CE-Biol 1400/1405. The course is on the approved list for students who want to apply for the Opportunity Scholarship. This is a great new science offering to help our students maximize their high school experience. Better yet, the fantastic Mrs. Gooch will be the instructor. Sign ups for all courses begins this week!
### WEEK AT A GLANCE

<table>
<thead>

### SCHOLARSHIPS

Updated [Scholarship Information](#) and FAFSA (click link for updated information)

### APPLICATION TIME FOR GIRLS/BOYS STATE AND HOBY

Applications for HOBY and Girls/Boys State have now started. Please review the following links and apply or nominate a student for a memorable summer opportunity.

Boys State: [https://utahboysstate.org](https://utahboysstate.org)  
Girls State: [https://apps.weber.edu/girlsstate/](https://apps.weber.edu/girlsstate/)  
HOBY: [https://hoby.org](https://hoby.org)
Who wants to take a test in a boring classroom when you can take it at the Loveland Living Planet Aquarium? Last week, Mrs. Fravel’s Zoology class took a field trip to assess what they have learned about invertebrates. It’s always the most popular test of the year!

Here at CCHS, teachers are always looking for new strategies to improve the way that they teach. Mrs. Miller, along with our instructional coach, Jessica Edwards, attended the Math QTEL (Quality Teaching for English Learners) training this past month. This week, the two teamed up and taught Secondary Math I utilizing some of the methods in their QTEL course. This particular lesson introduced symmetry to students by having them sort various patterns and shapes. Students had to rationalize how they grouped the patterns while also comparing and contrasting how their peers labeled different sets of pictures.

**CCHS TALENT SHOW**

The CCHS Student Talent Show is on February 6th. We will be on a double assembly schedule. Voting for the best act will be done electronically through a QR code shown at the end of the assembly. Parents of performing students are invited to attend; please be sure to check in first in the main office.

**PREP COURSES**

In order to provide an opportunity for our students to prepare for the state ACT administration on March 20th, 2024, the following courses have been scheduled:

- **Math Course:** Mr. Watson (5222)  March 6th and 7th, 8am-9pm
- **Science Course:** Mr. Jones (5224) March 11th and 12th, 3pm-5pm

ACT Subject Courses: These classes are designed to review the basics of Math and Science content as well as the format of the ACT test. There will be one course per subject with a minimum enrollment of 10 students and a maximum enrollment of 40 students. Each individual course includes two sessions. The cost is $35.00 per course. Students are required to pay and register for the course in the main office before March 1st. Enrollment in these courses is on a first-come, first-served basis.

**State ACT Test – March 20th, 2024**
Boys Volleyball Open Gym Clinics

There are eight more volleyball open gym clinics before tryouts in February. Each session is a clinic going over all the basic skills of volleyball (passing, serving, attacking, blocking, etc.) and is taught by former all-American players. Anyone who is interested in participating in boys volleyball is invited. Athletic kids with little experience can become proficient very quickly. Volleyball is amazing for strength and agility cross-training for students who play multiple sports.

- Feb 6 West Gym 4-6:30PM
- Feb 8 West Gym 5-8PM
- Feb 9 West Gym 5-8PM
- Feb 26-28 Tryouts Time:TBD

If you're not sure you can participate or have any questions, please feel free to reach out - michael.burke@canyonsdistrict.org. Follow us on Instagram for announcements @ccboysvolleyball

Girls Golf Pre-Season

The girls golf team will be starting their pre-season at Top Golf every Monday from 3-5 until tryouts on February 26th and 27th. This is open for any girls who are interested in being on the golf team this spring. Please reach out to Coach Gagon (alexis.gagon@canyonsdistrict.org) if you have any questions.

CHEER TAKES STATE TITLE!

The CCHS Cheer Team took home the the 6A State Title last week. They have been busy this whole year practicing and perfecting their routines. Their hard work, early hours, and dedication helped to accomplish this goal. They are top notch and super talented. Way to go, girls. We would like to thank their coaches for all their sacrifice and dedication too. Truly a well earned and deserved honor. Now on to Nationals in Florida!
