

# CORNER CANYON HIGH SCHOOL

## Charger Medallion 2023-2024

### CHARGE Point Categories

The purpose of the Charger Medallion award is to encourage and challenge students to be involved in a wide variety of activities including service, club, art, scholarship, athletic, and competition activities while attending Corner Canyon High School. The hope is to graduate well-rounded students who have participated in many activities and pursued many interests during their time at CCHS.

Students must earn a minimum of 200 points while attending CCHS to qualify for this award. Activities performed while attending other schools will not be accepted as point credit towards the Charger Medallion. Points are allotted based on the activity values in the table below. Students may not use earned points from the same activity in the same year in more than one CHARGE category. These activities are in specific categories that reflect the CCHS CHARGE motto. A maximum of 50 points may be earned from each category.
