Information on how to sign up for summer drivers education classes. Page 1.

HOSA ADVISOR EARNS TOP HONORS!

Our very own HOSA advisor, Kelly Jones, was named the Outstanding HOSA Advisor for the Western United States. This is the highest award any HOSA advisor can earn. She could not be more deserving. Kelly has increased the HOSA membership at CCHS to over 150 students and has been the biggest advocate for NMDP (Be the Match) Donor Registry. She also has served on the HOSA State Advisory Board for years!

SUMMER DRIVER EDUCATION

CCHS will be running summer classes for Driver's Education. Four separate sessions will be offered and will require seat time of 27 hours. The total cost is \$155.00 per student. Spots typically fill up fast. Be sure to take advantage of this opportunity. Follow this [link](#) for more detailed information or reach out to Mr. Boyer at russell.boyer@canyonsdistrict.org.

HOSA STATE SUCCESS

HOSA State competition finished up with CCHS occupying the podium for almost each event. Thirty-five students qualified for State, and 24 students were recognized for being in the top spots in their competition of choice, with the majority of these students taking home top honors and the invitation to compete at the upcoming National competition. This is a clear reflection of all the students' hard work and committed Advisors, Mrs. Jones and Mrs. Babcock. Great job, team! Click [here](#) to see a list of all winners.

ACT SCORE REPORTS ARE IN!

ACT score reports are in! If you want your paper copy, please stop by the Student Center to pick it up.

Student ACT reports were received this week in the Counseling Center. Students should have already received a digital report, but they can receive a more detailed hardcopy report by stopping by the student center.

CHARGER CHRONICLE

For all your in-depth news and happenings at Corner Canyon, read our student created [digital newspaper](#). Mrs. Bown and her student staff does an amazing job with each new weekly publication. Visit the website to access the paper. Pick up applications for the 2024-2025 staff in Room N116.

ATTENTION SENIORS

The Pre-Med pathway applications are due by Friday, April 19th, at 12:30 in the office. LATE/INCOMPLETE APPLICATIONS WILL NOT BE ACCEPTED. Please make sure you have everything filled out. Transcripts can be unofficial. Please reach out to Mrs. Bakker with any questions.

SCHOLARSHIPS

Updated [Scholarship Information](#) and FAFSA (click link for updated information)

STUDENT CENTER PAGE

Check out the Corner Canyon Student Center [webpage](#). It has updated information about all the services, scholarships, testing, and job opportunities available to help our students thrive beyond high school.

ACT ASPIRE MAKEUPS

ATTENTION 9th & 10th grade students!

ALL 9th & 10th graders who missed Aspire testing will do makeups in the Atrium this week. Tests will be administered in English, Math and Science classes. Your Chromebooks will be required for testing. Please see Lori Chernosky in the Student Center with questions.

THE CHARGER CONNECTION

TEACHER FEATURE

As part of Mrs. Clarke's Adulthood Unit in ELA 12, students read a fiction coming of age book as well as a nonfiction self-help book. For the fiction book, they kept notes of how the protagonist developed in five key areas: physical, social, emotional, psychological, and moral. Students made "before-and-after" bar graphs to measure that growth. They then explained next to the bar graphs how they changed and why. At the top, they identified what the author is saying about the process of adulthood. Mrs. Clarke is truly a master at making learning relevant to students, all the while incorporating the required state standards.

Chemistry teachers Mr. Cram, Mrs. Shields, and Mr. Jones had 100% engagement in their Thermochemistry lab this week where students literally set bubbles on FIRE! Students were learning about energy changes in reactions. Meanwhile, in the next lab over, Biology classes (taught by Mrs. Bakker, Mrs. Gooch, Mr. Green, Mrs. Babcock, and Mrs. Jones) were dissecting pig kidneys! There's never a dull moment at CCHS!

DIGITAL CITIZENSHIP INFORMATION

 **common sense media** reviews

movies, TV shows, books, games, and apps

Finding quality content

Establish guidelines for when and how kids should ask before watching a new show, downloading a new app, or playing a new game.

It can be difficult to determine which media content is appropriate for your kids. We know that reviewing everything on your own can be a very time-consuming and frustrating process. Common Sense Media publishes reviews on movies, TV shows, books, games, and apps to help families make educated decisions on content curation. They even have a [Star Wars Age-by-Age guide](#) to help you introduce your favorite characters in an age-appropriate manner. Families can access 3 free reviews monthly without creating an account. Consider including your children in the decision-making process and let them pitch why they feel the movie, show, game, or app is a good use of their time.

THE CHARGER ATHLETICS

Softball

Softball will match up against Bingham and Riverton this week. Click on the picture to the left for more information about Softball.

Girls Lacrosse

Come cheer the girls on as they compete with Herriman and Mountain Ridge this week. Click on the picture for more in-depth information.

Baseball

Baseball will play four games this week including multiple vs. Riverton. Come out and show your support. More details linked in the left picture.

Boys Tennis

Tennis continues this week playing matches with Bingham and Herriman. Click on the picture for more information.

Drill

Congratulations to those who made the Drill team for next year. We are excited to see you perform next year. Click the picture for more specifics.

Girls Golf

Golf will compete at Meadow Brook this week. For more information and upcoming tournament times, click on the picture.

Boys Lacrosse

Boys Lacrosse will match up against Herriman and Mountain Ridge this week. Go cheer them on as they compete.

Girls Basketball

Girls Basketball has some upcoming opportunities for athletes and those interested in the team next year to develop their skills. Click the picture for details.

Boys Volleyball

This week the boys will take on Herriman and Copper Hills. Click the picture for more details.

Track and Field

Track has done well this season so far and are continuing to improve. Their match this week is Wednesday at Mountain Ridge.

THE CHARGER CONNECTION

INTERNATIONAL AIRPORT
3823 W 1200 N SLC, UT 84116
(TAKE 2100 N EXIT OFF I-215 AND HEAD WEST)

SATURDAY, APRIL 27TH, 2024
9:00AM-1:00PM

- Free and open to the public
- Learn about training and career opportunities
- Aviation Career Pathways. Meet and speak with aviation professionals including pilots, flight attendants, mechanics, dispatchers, airport personnel, and many more.
- A Variety of aircraft and ground equipment on display for hands-on experience

QPR Training Suicide Prevention

When Monday, April 22, 6 p.m.
CCHS Atrium

What QPR stands for Question, Persuade, and Refer — the 3 simple steps anyone can learn to help save a life from suicide. Just as people trained in CPR and the Heimlich Maneuver help save thousands of lives each year, people trained in QPR learn how to recognize the warning signs of a suicide crisis.

Jenny Davis, a QPR certified trainer from Corner Canyon Counseling Department, will be providing a QPR Suicide Prevention Training. This training is free of charge and open to Corner Canyon employees, parents/guardians, and students.
