 3. Additional Agenda Item: Process for adding agenda items clarified by Dina Kolher. All agenda items must be sent to the Chair well in advance of the next SCC meeting such that the SCC agenda can be posted on the school website prior to the next SCC meeting so parents have an opportunity to view the agenda prior to the next SCC meeting. If there are agenda items not timely provided in accordance with that procedure, they will be placed on the agenda for the following SCC meeting.
 4. Counseling Corner – Michelle Anderson, Corner Canyon H.S. Counselor.
Counseling update provided by Michelle. Enrollment and new student luncheon discussed. Freshman academy was conducted successfully due to better communication with parents regarding that activity. Discussed additional planned counseling activities. Intern counselor, part time counselor and new counselor added to the counseling staff for a total of 9 counseling staff.
 5. Additional Agenda Item: Upon the prior request of an SCC member, Corner Canyon H.S. bathroom and locker room policy and procedure explained by Dinal Kolher. Corner Canyon H.S. follows School Board policy. Every child must feel respected and safe and have appropriate space to use the bathroom and change clothes. Posters have been placed in the school with a QR code advising students of where to turn for assistance if they need their own bathroom, which code directs the student to the counseling center. There is a designated private space for that student where they can use the bathroom and change

clothes. Student privacy is observed by staff while making the student's instructor aware of the student accommodation. Parents are also involved in this process.

6. Teacher Student Success Plan (TSSP) and School Land Trust Program – Misty Jolley.
Focus this year is on assisting students who are getting “F” grades. Funding is being used to address that issue as per the decision of the prior SCC. A monthly progress report will be provided as to progress on this issue. SCC members requested further statistics as to that issue to better understand the issue. Statistics will be provided at the next SCC meeting.
7. School Information – Dina Kohler.
Mobile phone policy report provided. Staff was ready to implement the phone policy and it seems to be working well. There have been no reports of cyber bullying.
