Dr. Brian Tracy's AP Physics class may appear to have just been playing with toy cars in the hallway, but in all actuality they were doing something much more complex! Students were modeling motion with constant velocity by using dune buggies that move in a constant speed and constant direction. They marked it's location as function of time, collected/ graphed the data, and represented it both with equations and graphically. Who knew that playing with cars could be so educational?! Thanks for making learning come alive as always, Dr. Tracy!

TEACHER FEATURE

THE CHARGER CONNECTION

MEET THE TEACH

Please give a warm Charger welcome to our new social studies teacher, Mrs. Kami Merchant! Mrs. Merchant, a Mapleton native, graduated from BYU. Mrs. Merchant is married to Chase, who ironically, "chased" her to date him since the two were in kindergarten together. Mrs.

Merchant says that she refused to date him until she could tell Chase a part from his identical twin, Carson! In the couple's spare time, they love to run, hike, and go to anything Disney. What she likes most about CCHS so far are the kids who have been so kind and welcoming. She is also so appreciative of how supportive and helpful the staff has been. Welcome, Mrs. Merchant!

THE UNIVERSITY OF UTAH 

BUILDERS' DAY

Date: Oct. 9, 2024
Time: 9:18 am - 2:25PM
Location: West Stadium Lot 1
(451 1400 E Salt Lake City, UT 82112)

BUS PROVIDED

Please scan the QR Code to sign up today!

Builders' Day is a career exploration event unlike any other. You'll have the chance to hear from professionals working in various construction roles. You will meet architects, engineers, project managers, and craft workers. You'll learn about the day-to-day tasks they perform, the education and training required for their jobs, and the rewards and challenges of working in their fields.

In addition to exploring the different career paths available to you as a future builder, you'll also have the opportunity to participate in hands-on activities and demonstrations.

New Policies

THE CHARGER ATHLETICS

Girls Volleyball

The team has shown off their Charger Strength and Skill on the court come out and watch their next game against Farmington on Sep 10.

Boys Golf

The Boys Golf team has been playing well and is back on home courses this week.

X-Country

The team has been training getting ready for their races. We are excited to see how they do this year.

Football

The Homecoming Game was a great example of Charger Strength beating Farmington to the cheers of the excited student section.

Dance Company

Dancing to a fun mash up on the field for homecoming the team is stunning this year!

Drill

The Drill Team's performance that the Homecoming football game was not only sparkly but impressive how talented our team is this year!

Cheer

The team has been showing off their tumbling and stunting skills at every football game so far this season. This is the reason they are ranked as the best!

Tennis

This team is fun to watch! Winning their last match 5-0 against Riverton.

Swimming

Any Corner Canyon students that are interested in the swim team are invited to an intro camp beginning next week. The coaches will review the basics of swimming, give a preview about what is expected during a high school practice, and help get the swimmers ready for tryouts. The link to register can be [found here](#).

Girls Soccer

After several lightning holds and torrential rain the team will finish their game against Herriman Monday at 3:30 pm.
